

Program Evaluation

We want to know how well 4-H Challenge works. We are asking you to answer the following questions about what you may have learned from being in 4-H Challenge. It should take about 10 minutes of your time to complete the survey. You do not have to fill out this survey. If you decide not to fill out the survey, it will not affect your participation in future WSU Cooperative Extension programs. Your answers will be anonymous and will not be identified in any way. This means that no one will know how you have answered any of the questions. Answering the questions means you have agreed to participate in this evaluation. If you have any questions about this survey or the evaluation please contact Mary Deen at (509) 662-4730 or the Washington State University Institutional Review Board at (509) 335-9661.
