

**Elementary Afterschool Principal Survey**  
**Respondents: 5**

**Date: 5-19-08**

**I can see value in the effort of creating and sustaining after school programs.**

| Agree | Agree Somewhat | Not Sure | Disagree Somewhat | Disagree |
|-------|----------------|----------|-------------------|----------|
|       |                |          |                   |          |
|       |                |          |                   |          |
|       |                |          |                   |          |
|       |                |          |                   |          |

**As a principal I am willing to support the vision of sustained afterschool learning that is integrated with the school day.**

| Agree | Agree Somewhat | Not Sure | Disagree Somewhat | Disagree |
|-------|----------------|----------|-------------------|----------|
|       |                |          |                   |          |
|       |                |          |                   |          |
|       |                |          |                   |          |
|       |                |          |                   |          |

**I would be interested in participating in an on-line discussion about afterschool programs between local elementary school principals.**

| Agree | Agree Somewhat | Not Sure | Disagree Somewhat | Disagree |
|-------|----------------|----------|-------------------|----------|
|       |                |          |                   |          |
|       |                |          |                   |          |
|       |                |          |                   |          |
|       |                |          |                   |          |
|       |                |          |                   |          |

**There aren't enough resources to support afterschool programs in every school.**
