Last meeting's minutes were accepted by the Council. We have \$6,403.83 in checking and in savings we have \$6,285.31. We paid \$600 for Holly Jones scholarship. We are receiving \$250 a month from Helen Zylstra and two others from Union Dues. The Treasurer's report was accepted by the council.

Each club in attendance gave a report on what they were working on. Then Mike gave us a brief summary of hiring the new coordinator. This person should be on the job by the 22nd of February.

There were four kids in attendance for the Ticket To Leadership. Thomas proposed that we hold Ticket To Leadership every year. We decided that instead of an Edmodo, we will use a private Facebook account for communication. Mike proposed that Teens get involved in Emergency Awareness. We also had a guy come in to the office that would like to help us get prepared.

Next meeting we are to bring our Council Evaluation sheets and discuss future plans for what the council will be doing in 2016. Also Rosie proposed that we have junior supers at the Youth Fair in April. Taylor said she would present the idea to the Youth Fair Board on their next meeting, Feb.11th. The council also discussed having booths of information at the Youth Fair as a way of advertising 4-H to non-4-H participants. Also by wearing our 4-H shirts we can advertise our individual clubs.

Meeting concluded: 8:04
