GETTING YOUR HANDS DIRTY
WITH MASTER GARDENERS

Learn what soil temperatures encourage seed growth, planting tips, garden care (mulching, pests and diseases), and what you should know about compost, fertilizers, and mulches. Sponsored by an Ellen A'Key King County Master Gardener Foundation Grant.

11:00 AM - 12:30 PM, SATURDAY, APRIL 20
at the DEMING LIBRARY, 5044 MT. BAKER HIGHWAY
VISIT WCLS.ORG/EVENTS FOR OTHER FREE EVENTS AT YOUR LIBRARY!

Date: April 20, 2019
at the Deming Library
