Community Garden Forum & Learning Fair

When: Saturday - March 23, 2019, 1pm-3pm

Location: Eleanor Place, Community Room
1510 N. Forest St., Bellingham, WA

WSU Whatcom Extension is hosting a garden forum and learning fair dedicated to community gardeners and groups that support their efforts in Bellingham and throughout Whatcom County. Fun and family friendly.

Forum focus: Gather to collaborate and communicate about the successes, needs and barriers of community gardening in Bellingham and countywide. Develop shared community priorities, network, share resources (tools, knowledge, seeds, equipment, supplies, ideas, lessons learned), funding needs, sustainability, local government support, education, sites, expansion and more.

Topics include: Land & landowner agreements, donations, grants, local business support, irrigation, rain water catchment, tools/supplies, compost & soil testing, garden layout & improvements, recruiting gardeners, garden management, cover cropping, social aspects and more.

Tabling at this event. Share your information with others. Great opportunity if you are looking for volunteers or have plot vacancies. Please RSVP if you wish to table at the forum.
